OLD DOMINION BRUSH COMPANY

Since 1910, the Old Dominion Brush Company (ODB) has been manufacturing the tools and equipment to help keep communities clean. From street sweeper brushes and brooms, to debris and leaf collection equipment that are recognized as the highest performing and most efficient systems available.

ODB's dedicated on continuous improvement and industry-changing innovation, that is based on real-world feedback from our customers, dealers and relentless testing, and ensures ODB Debris & Leaf Collection systems are the...

- ▶ Safest
- ▶ Easiest to Use
- ▶ Most Reliable
- ▶ Easiest and Fastest to Maintain
- ▶ Fastest Collection Per Lane Mile
- ▶ Most Cost-Effective with the Lowest Cost of Operation and Ownership
- ▶ Most Efficient

This innovation and functionality is demonstrated in the patent-pending single-engine debris collector truck system, the patented CDL-exempt debris collector truck, and our patented ECO-MODE™. Only ODB has these technologies that measurably optimize efficiency and operational flexibility.
